Notice of Beginning of Review Cycle

Applications will be heard at the **November 15, 2006** Health Services and Development Agency Meeting (except as otherwise noted as **Consent Calendar**).

**Denotes applications being placed on the Consent Calendar.*

+Denotes applications under simultaneous review.

This is to provide official notification that the Certificate of Need applications listed below have begun the review cycle effective **September 1, 2006**. The review cycle includes a 60-day period of review by the Tennessee Department of Health or the Department of Mental Health and Developmental Disabilities. Upon written request by interested parties the staff of The Health Services and Development Agency shall conduct a public hearing. *Certain unopposed applications may be placed on a "consent calendar." Such applications are subject to a review less than 60 days including a 30-day period of review by the Department of Health or Department of Mental Health and Developmental Disabilities. Applications intended to be considered on the consent calendar, if any, are denoted by an asterisk.*

Pursuant to T.C.A. Section 68-11-1609(g)(1), any health care institution wishing to oppose a Certificate of Need must file a written objection with the Health Services and Development Agency and serve a copy on the contact person for the applicant no later than fifteen (15) days before the agency meeting at which the application is originally scheduled for consideration.

For more information concerning each application you may contact the Health Services and Development Agency at 615/741-2364.

A replacement hospital to be relocated across the street from the current location at 709 Middle Creek Road to Middle Creek Road between Eastgate Road and Millwood Drive (yet not assigned address). The hospital will remain at seventy-nine (79) licensed acute care beds.
\$ 78,697,013.00

The establishment of a single specialty ambulatory surgical treatment center (ASTC) limited to diagnostic and therapeutic radiology, chemotherapy and related services. The project will also include the initiation of megavoltage radiation therapy and mobile positron emission tomography (PET) services as well as the acquisition of linear accelerator equipment.
\$ 10,110,685.00

The acquisition of an extremities-only magnetic resonance imaging (MRI) unit and the initiation of MRI services limited to the patients of Tennessee Orthopaedic Clinics.
\$ 1,032,872.00

The replacement and relocation of an existing hospital from 18797 Alberta Street, Oneida (Scott County) to not yet assigned address on Cook Avenue, Oneida (Scott County), TN. The licensed beds will decrease by 39 from 99 to 60 (which include ten (10) swing beds).
\$ 34,080,645.00

The replacement and relocation of an existing nursing home from 152 S. College St to the south side of the proposed Winter Dr. near Babb Drive in Lebanon (Wilson County). This project also includes the addition of thirty (30) skilled nursing beds* to the existing forty-two (42) skilled nursing beds for a total of seventy-two (72) dually certified beds. This project is the subject of a development agreement between the owner/applicant, Mitchell Manor, Inc., and Community Progress Committee, Inc. (CPC). Pursuant to the development agreement, following completion and licensure of the facility, CPC will acquire the nursing home, and thereafter become the licensee. The new facility will be managed by Stein & Associates, LLC, d/b/a Stein & Associates of Tennessee.
\$ 4,632,399.50

*These beds are subject to the 125 nursing home bed pool for 2006-2007.

The establishment of a home care organization and the initiation of home health service limited to Shelby County. This agency will specialize in the care of cardiology, neurology, surgery, orthopedic patients and patients with complex disease diagnoses including, but not limited to chronic obstructive pulmonary disorders, complications from diabetes, and wound care. The office will be located at 5659 South Rex Road, Memphis (Shelby County), TN 38119.
\$ 50,400.00
